人工智能工具使用补充说明

AI生成审核版 | 2026-10-22 | 团队人工核验、实拍、真人配音、人工后期及用户测试尚未完成。

一、作品基本信息与AI使用状态

作品名称：八十八个地名 - 一根竹竿上的淮海支前路

作品编号：尚未完成报名，未取得编号。赛道／赛项：指定命题“红色之旅 追梦铸魂”作品赛项，最终以报名系统实际选择为准。

AI使用情况：已使用。当前为AI生成审核版；尚无团队人工核验、拍摄、配音、后期、用户测试及报名盖章的已完成证据。

二、主要AI工具及使用情况

工具	实际用途	学生后续处理
Codex / GPT-6系列编码助手	阅读资料、来源初筛与摘要、文案、代码、测试脚本、提交材料	用户提供资料及指令；尚未提供学生改写、编码与测试记录
OpenAI内置image_gen	4张木刻风格场景插画；一图一次生成	尚未人工筛选或后期；本轮由AI代理检查与压缩

前期资料包中出现的Claude、GPT-6历史使用示例，未据此当成已核实的团队使用履历。本说明只确认本轮可观察过程；精确模型快照若工具未返回则不猜测。

三、代表性AI使用过程

史料初核

目的：为上屏事实建立来源。输入：用户资料包07表与官方/媒体公开页。输出：S01–S12、边界说明及九段内容。人工处理：尚未完成。应用：正文S编号与史料层。证据：sources.json、阶段1核验记录；没有伪造人工截图。

木刻场景图

目的：提供统一视觉。输入：文本构图、黑墨暖纸色、无脸无字无旗徽要求，无外部参考图。输出：4张PNG；AI代理转换为WebP并写XMP，均<400KB。人工处理：尚未完成。应用：九段场景复用。证据：完整Prompt、原图、编码记录；不宣称“经团队后期”。

网页和文档生成

目的：将内容变为可离线体验及可评阅材料。输入：技术规格、文案和来源JSON。输出：HTML/CSS/JS、海报模块、测试脚本及PDF。人工处理：尚未完成。应用：整套审核工程与材料。证据：文件、机器QA和真实运行录屏；AI自动化不代表学生实测。

四、最终成果中的AI生成或辅助内容

内容	保留部分与位置	学生修改/整合
文字	九段文案、史料摘要、页面说明、审核PDF与文本	未完成；公开原文引句另有来源
图像	4张AI木刻图及其页面复用	未完成；AI代理仅压缩编码与元数据
程序	网页结构、交互、海报绘制与合成提示音	未完成；代码集成与84项机器检查由AI代理执行
视频	约3分钟原速快览、4:40字幕审核演示，均真实网页录制、1080p	均无音轨；无真人解说；不可写成团队独立剪辑

五、学生原创贡献说明

截至本次交付，可确认的人类输入为上传资料包、指定总控规则、授权继续推进及确认团队暂时无已完成的人工工作。资料包历史创意由谁形成、是否经过真实讨论，尚待团队提供证据。

学生自主完成的核心工作：尚未提供可核验记录。不能将AI生成文案、图像、代码或AI代理测试，直接记为学生独立原创。成员A–E均为建议分工，非真实完成记录。

后续应由学生实际完成史料核验、脚本改写、图像审核后期、真人录音、运行测试及材料定稿，并据实更新本节；不预填日期、会议、满意率或工作百分比。

六、代表性过程材料

保留三类必要证据：来源初核台账及冲突处理；图像原始输出与完整Prompt；工程、机器QA和录屏。评审材料只附脱敏摘要，不附本机用户名、账号、机器绝对路径及私人对话。

图像Prompt示例（摘要）：1940年代中国解放区木刻语言，黑墨与暖纸色，横幅主体居右，左侧留白；无文字、可辨人脸、旗徽、血腥和伪档案。四图分别为空白竹竿、秋冬推车、协力推车、当代麦田。完整提示词见附后的图像生成条目。

bamboo.webp / 完整Prompt

Use case: historical-scene. Asset type: narrative offline web artwork, commissioned contemporary AI artistic illustration, NOT historical evidence or a reproduction of an actual artifact. Landscape wide image, 16:9 preferably 2048x1152. Visual language: Chinese 1940s liberated-area woodcut printmaking, bold coarse knife-cut marks, stark ink silhouettes, sparse confident linework, restrained fine paper texture. Strict palette warm ivory paper #EFE6D2 and near-black ink #1C1A17; no other colors. Main subject in right 60% of composition; left 40% largely warm blank paper as quiet negative space for webpage copy. Edge-to-edge illustration, no frame, no labels, no letters, no Chinese characters, no numbers, no watermark, no seals, no readable faces, no flags, no emblems, no uniforms, no violence, no archival photograph appearance. Primary request: close study of a single plain bamboo walking pole lying diagonally on bare warm paper from lower middle toward upper right, clearly visible natural nodes and cylindrical bamboo surface suggested by woodcut ridges. Dramatic but restrained side lighting gives a simple angular cast shadow. The bamboo pole is completely uninscribed: no lettering, no symbols, no carved marks, no fake reconstruction of historical inscriptions. A quiet contemplative material study.

参数：transparent_background=false；内置工具未提供可确认模型快照。原始尺寸1672×941；WebP质量92；247834字节。候选：每场景1张。团队待检查器械结构、手部和版式；未有人工后期。

journey.webp / 完整Prompt

Use case: historical-scene. Asset type: narrative offline web artwork, commissioned contemporary AI artistic illustration, NOT historical evidence or a reproduction of an actual artifact. Landscape wide image, 16:9 preferably 2048x1152. Visual language: Chinese 1940s liberated-area woodcut printmaking, bold coarse knife-cut marks, stark ink silhouettes, sparse confident linework, restrained fine paper texture. Strict palette warm ivory paper #EFE6D2 and near-black ink #1C1A17; no other colors. Main subject in right 60% of composition; left 40% largely warm blank paper as quiet negative space for webpage copy. Edge-to-edge illustration, no frame, no labels, no letters, no Chinese characters, no numbers, no watermark, no seals, no readable faces, no flags, no emblems, no uniforms, no violence, no archival photograph appearance. Primary request: anonymous rural adult laborer seen only from rear and back three-quarter silhouette, pushing a traditional Chinese wooden single central wheel grain barrow along an uneven earthen road in late autumn or winter. The wooden wheel is centered under cargo, hands correctly gripping two long rear handles; two cloth grain sacks balanced either side. Simple cotton work clothes and cloth shoes, no costume detail. A few distant bare trees and a very low empty horizon. No lush summer crops, no mature wheat sea. Broad open pale sky with generous blank area on left. Quiet strength and forward movement. Anatomy and barrow geometry must be plausible.

参数：transparent_background=false；内置工具未提供可确认模型快照。原始尺寸1672×941；WebP质量88；318526字节。候选：每场景1张。团队待检查器械结构、手部和版式；未有人工后期。

together.webp / 完整Prompt

Use case: historical-scene. Asset type: narrative offline web artwork, commissioned contemporary AI artistic illustration, NOT historical evidence or a reproduction of an actual artifact. Landscape wide image, 16:9 preferably 2048x1152. Visual language: Chinese 1940s liberated-area woodcut printmaking, bold coarse knife-cut marks, stark ink silhouettes, sparse confident linework, restrained fine paper texture. Strict palette warm ivory paper #EFE6D2 and near-black ink #1C1A17; no other colors. Main subject in right 60% of composition; left 40% largely warm blank paper as quiet negative space for webpage copy. Edge-to-edge illustration, no frame, no labels, no letters, no Chinese characters, no numbers, no watermark, no seals, no readable faces, no flags, no emblems, no uniforms, no violence, no archival photograph appearance. Primary request: three anonymous rural adult laborers, entirely rear-facing silhouettes, cooperate to move a traditional Chinese wooden single central wheel grain barrow up a muddy incline toward the right. One person behind firmly grips both handles, two helpers lean forward with hands pressing the sides of the loaded wooden frame, correct plausible physical contact. Cloth sacks of grain, coarse cotton work jackets, trousers, cloth shoes. No individual likeness, no facial features, no weapons. Heavy broad woodcut shadows show wheel rut, slope and exertion. Background is spare blank pale paper with a low horizon, no busy structures.

参数：transparent_background=false；内置工具未提供可确认模型快照。原始尺寸1672×941；WebP质量88；339754字节。候选：每场景1张。团队待检查器械结构、手部和版式；未有人工后期。

fields.webp / 完整Prompt

Use case: illustration-story. Asset type: narrative offline web artwork, commissioned contemporary AI artistic illustration, NOT historical evidence or a reproduction of an actual artifact. Landscape wide image, 16:9 preferably 2048x1152. Visual language: Chinese 1940s liberated-area woodcut printmaking, bold coarse knife-cut marks, stark ink silhouettes, sparse confident linework, restrained fine paper texture. Strict palette warm ivory paper #EFE6D2 and near-black ink #1C1A17; no other colors. Main subject in right 60% of composition; left 40% largely warm blank paper as quiet negative space for webpage copy. Edge-to-edge illustration, no frame, no labels, no letters, no Chinese characters, no numbers, no watermark, no seals, no readable faces, no flags, no emblems, no uniforms, no violence, no archival photograph appearance. Primary request: a peaceful present-day North China wheat field and narrow farm lane curving from lower right toward the distant horizon; the plants are explicitly wheat with narrow leaves, upright stalks and slender awned wheat ears, not rice, not reeds, not corn. Grain rows fill mainly the right and lower right, left upper half is warm unprinted sky; sparse distant trees. No people or machines needed. This is a contemporary rural landscape, an artistic wheat-field image rather than a season-specific reconstruction of the 1948 journey. Clear lyrical composition, calm light, coarse carved marks in foreground become finer toward horizon.

参数：transparent_background=false；内置工具未提供可确认模型快照。原始尺寸1672×941；WebP质量92；388312字节。候选：每场景1张。团队待检查器械结构、手部和版式；未有人工后期。

七、资源来源与合规说明

字体来源与OFL许可见《第三方资源与AI素材说明》。历史来源只作事实和短引文引用；没有使用馆藏图像、真实人物肖像或声音克隆。四图均由文本生成，没有第三方图像输入。

页面为AI图像显示“艺术示意·AI辅助生成”，图像写入trainedAlgorithmicMedia来源属性；关于页披露文案、代码与声音的AI辅助。图像不能作为历史照片或文物复原证据。

人工审核目前尚未完成。后续若加入第三方图片、音效、音乐或真人材料，应核清使用范围、许可与必要同意并补记；“网络免费”或“AI生成”不自动替代权利核查。

八、填写确认与提交提示

本说明按当前可核实状态制作，尚待团队逐条确认。不得在未完成时勾选已审核、已原创、已测试；不得将AI工作直接表述为学生独立原创。身份与真实性承诺按统一《参赛承诺书》由团队实际办理，不伪造签字盖章。

材料原则上匿名，身份审核另由报名系统管理。此文件为AI使用补充说明；系统已完整填写的项目按官方要求避免重复。没有虚造AI占比、人工占比或使用工具数量与分数的关系。
